The datum of the karate course will be **from Monday the 3rd of August until Friday the 7th of August 2020 in Cantabria (Santander, north Spain)**. The course is going to be led by three WIKF Top Instructors.

The karate course will be open for any belt . There will be **no limit** of people for the karate training but the accommodation at the youth hostel Paradiso is limited; so those who are interested to stay at Paradiso should register soon. If the youth hostel Paradiso is full or you want to stay somewhere else, you have the possibility to stay at a hotel or guesthouse nearby (we can help you to find out different options). Those people, who have accommodation outside Paradiso have as well, like always, the possibility to take lunch or dinner at the youth hostel.

The training will be at the sport hall nearby the youth hostel (**sport hall of Hinojedo (Suances)**, 10 min. walk). Paradiso counts with a beautiful dojo with a Japanese touch where you can practice by yourself during your free time or you can enjoy the beautiful towns and beaches of Suances.
